### **PRODUCT DESCRIPTION**

Stealth builds high quality Rackmount LCD displays suited for industrial and commercial applications.

Our 17" Rack Mount LCD is easily installed into industry standard 19" EIA rack cabinets and enclosures in minutes.

All of our Rugged LCDs are available with a Resistive Touchscreen. The Rack Mount version can also be supplied with no Touchscreen included. In this case the LCD is exposed. Our displays have wide viewing angles, 350 Nits of Brightness with adjustable controls and comes standard with a 3 Year warranty with extended warranty options available.

Prior to shipping, each and every display is put through Stealth's rigorous QA burn-in procedure that is documented and controlled through our ISO 9001 quality system and in compliance with being CE, FCC, UL 62368-1:2019 Ed.3 & CSA C22.2#62368-1:2019 Ed.

Stealth offers a range of LCD product offerings including Panel mount, Rack mount and Open Frame designs as standard off-the-shelf products in 15" up to 26" diagonal sizes. Our LCD products are constructed from solid steel and will meet the demands of your application without breaking your budget.
