

Stealth's Year in Review: Reflecting on 2023 & Looking Ahead to 2024!

Dear Stealth Community,

As we bid farewell to 2023, we reflect on a year that tested our resilience and showcased the power of collective commitment in the face of a dynamic economic landscape. This journey, marked by milestones and shared achievements, has strengthened the bonds within our community.

<u>Supply Chain Stabilization:</u> Amid global challenges, we are proud to announce the successful navigation and stabilization of our supply chain. Through strategic partnerships and meticulous planning, we've maintained a steady flow of resources, meeting customer demands promptly. Our lead times and production capacity now operate at pre-pandemic levels of efficiency.

<u>Process Improvements:</u> At the core of our operations is a commitment to continuous improvement. In 2023, we implemented process enhancements to boost efficiency and customer satisfaction. Tireless efforts to streamline workflows, reduce lead times, and optimize our business have resulted in increased operational effectiveness and a more seamless customer experience.

New Products Launched: This year, we were thrilled to introduce several innovative new products that have captured the imagination of our customers. From cutting-edge technology to sustainable solutions, our new offerings especially in Fanless Little PCs and latest generation 2U Rack PCs & Servers reflect our commitment to pushing the boundaries of what's possible. The positive feedback we've received from our community has been inspiring, reinforcing our belief in the power of innovation.

Looking Ahead to 2024: Excitement builds as we reveal a glimpse into 2024. Our team is hard at work developing new features and products that will revolutionize the Stealth experience. Anticipate a blend of advanced technology, a new product category, enhanced user experiences (Dashboard & Website), and sustainable solutions, aligning with our vision for a brighter and more connected future.

Expressing Gratitude: None of these achievements would be possible without the unwavering support of our dedicated team, loyal customers, suppliers, and valued partners. Your trust and collaboration have been the driving force behind our success, and for that, we are truly grateful.

As we embark on the journey of 2024, we invite you to join us in anticipation of exciting developments ahead. Together, we will push boundaries, innovate, and shape a future that reflects the shared values of our Stealth community.

Wishing you a joyful holiday season and a prosperous New Year!

Best Regards,

The Stealth Team!!!
