

STEALTH

## Expanding our Rack Mount Solutions Offering -

### Expert Engineering Meets Seamless Integration

Stealth's Rack Mount Solutions are the essence of high performance and reliability, tailored for enterprise and industrial applications. Our **Rack Mount PCs & Servers** range from 1U to 4U sizes, offering versatility with options like DC Input, Fanless configurations, Redundant Power, and Mass Storage upgrades. Stealth's systems are designed for diverse applications, including telephony, industrial control, plant automation, data centers, and more.

Dive deeper into our offerings, and you'll find the **Rack Mount Displays** and **Rack Drawers**, a testament to vivid, flicker-free image quality, designed to fit seamlessly into standard 19" EIA rack cabinets. These monitors, available in various sizes and touchscreen technologies, are built with an environmentally sealed front panel, ensuring resilience against external elements.

Complete your setup with our **Rack Mount Keyboards** to ensure you have a comprehensive, integrated solution for all your Rack Mount needs. Visit our website or contact your sales team (**Contact Us - Stealth**) to find your Solution !
