

As we reflect on 2024, we celebrate a year filled with growth, innovation, and a stronger commitment to serving you better. This year, we introduced exciting new products, including a completely new category: **Panel PCs**. These innovations represent our dedication to providing advanced solutions that empower your business and drive success.

To improve your experience, we updated our website with new features designed for transparency and ease of use. A **streamlined dashboard and a powerful configuration tool** now make customization simpler and ensure your needs are met with greater efficiency.

We also strengthened our connection with you by launching a **LinkedIn newsletter** to share updates and insights. Additionally, our return to **YouTube** with the **Panel PC Launch video**, which garnered over 500,000 views, demonstrated the excitement and interest around our latest innovations.

None of these achievements would have been possible without the support of our customers, partners, and team. Your trust and collaboration inspire us to keep pushing boundaries and innovating to meet your needs.

As we look ahead to 2025, we are excited about what is to come. From cutting-edge projects featuring the most powerful processors to solutions tailored for the **transportation and marine industries**, we are committed to delivering value and contributing to your success. **Stay tuned** for more updates and upcoming product launches in Q1 2025.

From all of us at Stealth, we wish you a joyful holiday season and a prosperous New Year. Thank you for your continued partnership!
Best regards, The Stealth Team

PS – Our office will be closed from December 25th through January 1st, 2025. Please connect with your Representative to coordinate Year End Shipments
